

Lincoln College
Alumni and Guests
Guidelines

We greatly value alumni being part of the College community and we welcome alumni back to enrich the life of Lincoln.

Our programme of events offers many opportunities to maintain a connection with Lincoln, with fellow alumni and current Fellows, staff and students at Lincoln.

We respectfully ask that alumni and their guests demonstrate the same standards of behaviour that we ask of all other members of our community when on College property or at College events.

Our community, and visitors, to Lincoln are expected to treat others with courtesy and respect, and must not subject any member of the community or fellow guests to harassment as detailed in our Harassment Policy which can be found on our [Policies](#) page.

Any complaints about alumni or guest behaviour should be made in [writing](#) to the Development Director at Lincoln College in the first instance.
