

## **Procurement Statement**

Good purchasing decisions achieve value for money, are ethical, transparent, take account of sustainability issues and leave a robust audit trail. Lincoln College is committed to ensuring that the environmental, social and economic impacts of its purchases are understood and managed.

As a member of the Oxford Colleges' Purchasing Shared Service, the College benefits from Oxford University purchasing policies and procedures for any of the Shared Service agreements that we use.

The College expects its suppliers and contractors to be familiar and comply with its Single Equality Scheme.
