Opening into Light

Space

allowing rest and refreshment

The Chapel is yours.

Use it to **think**, to get away from your desk, to **cry**, to pray.

If you find it locked, ask at the Lodge for the key.

Worship

inviting to wonder

People of **any faith or none** are welcome at Chapel services.

All services are open to all members of the Lincoln community, regardless of creed. The Chaplain and Chapel Wardens will strive to make you welcome.

Times of services printed opposite.

Faith

opening new questions

How we encounter the world as meaningful is always in motion, always seeking.

Andy listens with no presumptions and no obligations.

If you're looking for a faith community (**any faith**) he can advise.

Andy is always happy to discuss baptism, confirmation, ordination, marriage.

*Though the story of Jonah involves being swallowed by a giant fish,
it ends with release and with mercy and reconciliation. We, too, have been
caught and closed away: may this be our time of release and reunion.*
